### Description:

One of the finest yachts on the charter market, elegant Laurel was built in 2006 by Delta Marine, with a refit in 2014. Designed by Donald Starkey, her timeless interior is complemented by a noble profile with distinct blue hull. Run by a passionate crew of 24, led by Captain Roy Hodges, Laurel delivers world-class service and a charter experience like no other.

Elevator access between all guest decks makes Laurel easy to move around and with large spaces throughout the yacht there are certainly plenty of spots to enjoy! The main saloon is a social space, perfect for entertaining, with a décor that features hardwood floors, an earthy-toned palette and stunning artwork. This versatile space, with inviting sofas and an entertainment system includes a television hidden
