

About: **MAINFRAME.band**

MAINFRAME.band was formed in March of 2011 and had two primary band members consisting of Jerry Chiappetta Jr on Lead Vocals and Guitar and his wife Tatiana Chiappetta on Bass Guitar and Vocals. Their last single; “Nothing’s Really the Same Now” was released in December of 2020. The “Blow Your Mind” album is a twenty-one (21) song digital album that was released in March of 2018 and is also available for download or streaming via links at the official MAINFRAME.band website at [www.mainframe.band](http://www.mainframe.band)

Although MAINFRAME.band is no longer performing live concerts, from time to time you can find Jerry performing some free surprise solo act concerts. Jerry feels with music being the universal language of the world, it is something that should always be shared with those that are willing to listen. To the next generation of musicians, rock on!

Please note that Jerry Chiappetta Jr is not available for hire.
